

Balance Beam Trail

Product code B.11

PLAYEQUIP

Dimensions LxWxH (m)

5.75 x 0.75 x 0.3

CFH - 0.3

The balance Beam Trail is a great feature to any playground or park. Its can be used to link play structures and playground equipment together and is a really fun, low risk way to practice key balancing skills. Exercises performed on the balance beam include reverse dips, step-ups and elevated push-ups. With a change of direction and an unlimited length this versatile piece of equipment has great potential at fantastic value.

Wooden balance beams can also be used for as informal seating or de-markation of play zones. Well know as an important piece of playground equipment for physical development.
