

# Outdoor Pull-Up Bars

Product code FE.03.3

PLAYEQUIP

**Dimensions LxWxH (m)**  
0.15 x 2.4 x 2.5

**CFH - 1.5**

**Safety Surface Area - 21sqm**

Our triple bay outdoor pull up bar allows options for different sized people and different exercises to be performed. Stainless steel bar heights set at 2.3m, 1.8m and 1.3m give great flexibility for many users especially in public spaces.

Made from solid oak and stainless steel tubes and fixings, these outdoor pull-up bars are extremely durable. Greats as part of an outdoor gym area, part of a trim trail, or as a stand alone item for the garden.

## Guarantees
