Introducing the new Timber Trail Cluster – a simple yet effective play and traversal solution for any playspace. Crafted from solid oak, this versatile piece of wooden playground equipment can stand alone or, even better, become part of a larger trim trail, offering a fun and straightforward method for navigating the play area.

With excellent craftsmanship and high-quality materials, you can trust the Timber Trail Cluster to withstand the test of time.

This item is item to be flexible to your design. The timbers can be arranged in any shape or number subject to play safety regulations. Get in touch for further details.
