These Wooden Hurdles are a great piece of [outdoor fitness equipment](#) designed to be used in a multitude of ways. They consist of solid oak uprights and stainless steel bars great for garden spaces, playground features or as part of a fitness trail ensuring everyone is able to make use of them.

Hurdles exercise a multitude of muscle groups helping to improve dynamic stability and flexibility, focusing on the timing and rhythm aspect to the exercises.

With no moving parts, our outdoor pull up bars are as robust as possible and require very little maintenance. Our Wooden Hurdles are equipped with stainless steel Torx 50 security sleeve nuts making them ideal for use in public spaces.

It is advised in accordance to EN1176 that [Instructional Plates](#) are a requirement for outdoor gym equipment in a public space.
