Cross Ropes are another addition to our robinia range of trim trail equipment. A classic that never fails to create a great challenge and huge amount of fun. The Cross Ropes can be used as part of a larger trim trail or on their own.

Harder to negotiate than the Shimmy Ropes. Great for improving physical skills such as strengthening grip and practising hand-eye coordination.

Our Cross Ropes come in a standard length of 2.5m but can be custom made to suit any playground requirements.
