Guarantees

Timber - 15 years
Fixings - 20 Years

Introducing the Wooden Water Basin. Made from high-quality oak and featuring stainless steel fixings, this durable and visually appealing basin offers endless fun for children of all ages. It encourages imaginative and sensory play, allowing children to explore water flow, build dams, and engage in cooperative activities.

Crafted from sustainably sourced oak, the Wooden Water Basin is perfect for parks, schools, and residential play areas. Its sturdy construction ensures easy cleaning and long-lasting use. As part of our wooden playground equipment range, it fosters creativity, problem-solving, and social interaction, making it both educational and enjoyable.

For an even more interactive playground experience, combine the Wooden Water Basin with our Wooden Water Trough and Playground Water Pump to create an engaging water trail. This setup invites children to follow the water's path, enhancing their learning and playtime adventures.
