Please get in touch to discuss options.

Guarantees

Timber - 15 years

Fixings - 20 Years

Transform your playground with our Wooden Water Trough. Crafted from premium quality oak with stainless steel fixings, this durable and beautiful water trough ensures endless fun for children of all ages. Designed to inspire imaginative and sensory play, it allows children to explore water flow, build dams, and engage cooperatively.

Made from sustainably sourced oak, this choice is perfect for parks, schools, and residential areas. Its robust construction makes it easy to clean and maintain, ensuring long-lasting use. As part of our wooden playground equipment range, it promotes creativity, problem-solving, and social skills, providing an educational and engaging play experience.

For an even more exciting and interactive playground feature, combine the water trough with our [Wooden Water Basin](#) and [Playground Water Pump](#) to create an engaging water trail. This setup encourages children to follow the water's journey, enhancing their learning and play experience. Enhance your playground with our Wooden Water Trough.
