PLAYEQUIP

Dimensions LxWxH (m)

5 × 0.9 × 7.5 - 9.5

CFH - 1.5

Safety Surface Area - 8.5 sqm

The Balance Seesaw is a super simple item of playground equipment that can be used in different ways. It can be used as a fun and challenging way to cross between mounds which really tests the skill of balance and coordination. It can also be used the classic way a playground seesaw can be used. Its simplicity makes it a subtle yet rewarding item that fits in harmony with its surroundings. Particularly when topography is used in the design of the playscape.

Made from solid oak and stainless steel components, its durable parts make this a very low maintenance item of playground equipment. Custom sizes are available so please get in touch for more information
