The wooden swing set is a classic piece of wooden playground equipment that can never disappoint. We can all remember time spent on swings sets as children and this age old classic still remains one of the most fun pieces of equipment on the playground. Our wooden double swing set is made from solid FSC square section oak that is naturally robust and doesn't require chemical treatment. We only use the highest quality stainless steel chains and swing fittings.

This delightful wooden swing set is attractive, robust and ideal for any schools, playgrounds or the garden. We can supply the wooden swing set with variety of swing seats including toddler swings seats.
