

# Cross Ropes

Product code TT.II

PLAYEQUIP

## Dimensions LxWxH (m)

2.5 x 0.175 x 2.4

CFH - 0.4

Safety Surface Area - 12sqm

Cross Ropes are another addition to our robinia range of trim trail equipment. A classic that never fails to create a great challenge and huge amount of fun. The Cross Ropes can be used as part of a larger trim trail or on their own. Hard to negotiate than the Shimmy Ropes. Great for improving physical skills such as strengthening grip and practicing hand-eye coordination.

Our Cross Ropes come in a standard length of 2.5m but can be custom made to suit any playground requirements.

## Guarantees

Timber - 15 years

Ropes - 1 year
